AN ISO 9001:2008 CERTIFIED COMPANY

TUBULAR BATTERIES

D-Force Energy Offers you Automotive, Tubular & Industrial batteries with warranty from the latest technology plant with a capacity of almost million batteries of different types and capacities to suit a variety of applications. Apart from the normal characteristics of a battery, our batteries are Special for :

- ♦ Greatly extended cycle life.
 - ♦ Minimal amp hour capacity decay after repeated discharges.
 - ♦ Excellent high and low temperature performance.
 - ♦ Elevated resistance to sulfation and internal corrosion.
 - ♦ Superior capacity recovery.
 - ♦ Environmentally greener, with the use of reduce amount of lead.
- (All batteries are extremely low maintenance as we are using Selenium, as low as, almost at the level of eutectic point.)

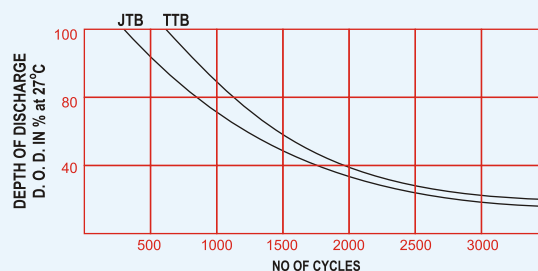

LOAD CHART *

SINE WAVE (VAV)	FAN	TUBE LIGHT	TELEVISION	COMPUTER (LCD DISPLAY)
800/12V	3	4	0	1
1400/24V	6	8	1	1
2KVA/48V	8	8	1	1
3KVA/36/48V	RUN AIR CONDITIONER			
5.5KVA/96V	RUN AIR CONDITIONER			

Types of Batteries (Ah)

IT	150	180	200	240
Jumbo	90	120	150	180
Solar	60	75	90	

TYPICAL DISCHARGE CHARACTERISTICS CURVES OF D-FORCE TUBULAR BATTERIES AT VARIOUS DEPTH OF DISCHARGE (D. O. D.)

Applications : (not limited to following)

- ♦ UPS Systems of all KVAS ♦ Mobile Phone Station & Transmitters ♦ Elevator Backup ♦ Machineries ♦ Invertors of all KVAS
- ♦ Electronic Weighing Scale ♦ EPABX & PABX Exchanges ♦ Medical Equipment ♦ Banks ♦ Hotels ♦ Malls ♦ Hospitals ♦ Labs ♦ Offices
- ♦ Solar & Wind Power storage ♦ Industries ♦ Petrol Pump ♦ Energy power systems.

AUTOMOTIVE BATTERIES

D-Force Energy Offers you Automotive, Tubular & Industrial batteries with warranty from the latest technology plant with a capacity of almost million batteries of different types and capacities to suit a variety of applications.

Features

- ♦ Low Antimony selenium alloy for less frequency of topping up.
- ♦ Better cranking by specially designed plates & raw material used.
- ♦ Superb Charge acceptance.
- ♦ Excellent all weather performance.

Applications*

♦ 40 Ah	Maruti Omni, WagonR, Alto Indica, Santro, Lighting, LCV
♦ 60 Ah	TATA Ace, Sumo, Scorpio, LCV, Indica
♦ 75 Ah	Trax, Tractor, 407, LCV, MCV, All Jeeps
♦ 90 Ah	Tractor, Generator, MCV, Trucks
♦ 100 Ah	Tractor, Generator, MCV, Trucks
♦ 120 Ah	Genset, Earth Movers, Trucks
♦ 135 Ah	Special JCB & others
♦ 150 Ah	Trucks, Dozer, Earth Movers.
